

# Electrical Systems

## Early KS2 (Year 3/4) Simple Circuits and Switches

- Secure connections- wrap ends around, twist strands of wire together, tape
- Handmade switches- paper clips and safety pin, safety pins, tin foil.

## Late KS2 (Year 5/6) More Complex Circuits and Switches

- Different switches- latching switch, micro switch, push and make switch, push and break switch.
- More complex circuits.
- Using computing to help aid with circuits.
