Online Safety Newsletter – Please find attached the latest online safety newsletter for your information.

Sun Cream – Hopefully the weather will be sunnier next week so could we please ask that you apply sun cream/lotion to your child in the morning - before they come to school. Please also send in their own (named) sun screen which can be self-administered if they need a top up at lunchtime (**NO AEROSOLS** please). Please can you also ensure that your child has had sun cream applied before sports days on Monday & Tuesday.

Water Bottles – Please can we remind parents that all children are required to bring a water bottle into school **EVERY DAY**. This is especially important as the weather is improving.

Cluster Schools: Smartphone Free – A reminder that we will be moving to a smartphone free school from September 2026. This was first announced in November 2025 and will see all schools in the local cluster adopting this approach for the benefit of the children.
