

Dig Day – This **Sunday, 12 October** we will be holding a 'Dig Day' at school from **10am until 1pm** and would like to ask for volunteers to help on this day to clear up and tidy areas around the environmental area and the school grounds. If you are green fingered or just fancy helping out for an hour or two in the school grounds then please come along. If you can offer your support, please complete the on-line form accessed via the following link:

<https://forms.office.com/e/NBWjHaksrf>

Heartstart – Unfortunately there was a disappointingly small turn out for the first of the two 1½ hour parent sessions on Wednesday. The feedback from the three parents who did attend was that it was a highly valuable learning experience led by highly skilled and knowledgeable professionals. In the second session on **Monday 13 October at 7:00pm** the trainers will be covering Heart Attacks, CPR and the use of a Defibrillator. **If you would like to come along to just this session to find out more about these topics please join us in the school hall.** We look forward to seeing those parents that have registered for the 3-hour session on Thursday 23 October at 6:00pm.

PTFA AGM - Come and share a glass of wine and discuss ideas for the new academic year with us at our upcoming AGM next week on **Tuesday 14 October**. Old faces or new, interested in what we do or getting involved, we would love to see you all there! Wine and nibbles from **7:30pm**, meeting to begin at 8:00pm. If you have any questions about the AGM please contact us on ptfa.hwwa@gmail.com.

Year 6 Parents – Reminder that Year 7 applications for a secondary school place are currently being accepted via the Hampshire Admissions online portal (<https://www.hants.gov.uk/educationandlearning/admissions>) and the deadline for applications is midnight on **Friday 31 October 2025**.

Flu Vaccine - Please remember to complete the online registration form, by clicking on the link below, to approve/deny permission for your child to receive the flu nasal spray vaccination on **Friday 28 November 2025**.

<https://www.southernhealthimmunisations.co.uk/Forms/Flu> School Code: **SH138719**

New Menu - Please find attached the new menu from Aspens which takes effect after half term. Please can we ask that you go through it with your child and pre-order their lunches via their website (<https://select.aspens-services.com/account/index>) weekly in advance or as a minimum before 9am on the day required.

Data Collection Forms – These have all now gone out to pupils and we will shortly begin the chase up for those not yet returned. May we remind you that these forms must be completed for every child and we will keep chasing until all forms have been returned.

Walktober 2025 - We are hoping as many of our pupils, families and staff as possible travel actively throughout October by walking, wheeling, cycling, scooting, using Park and Stride or public transport to and from school and in their leisure time. We want to hear about your active and sustainable journeys! For 2 weeks in October we will be inviting our pupils, staff and parents/carers to complete a My Walktober Journey Report and share stories of their active and sustainable journeys in an effort to inspire others to give it a try. Please can any entries be put onto the class Seesaw by **Friday 24th October**.

Smartphone Free Childhood - On **Friday 24th October**, the Warsash Smartphone Free Childhood group are re-running the presentation that they gave in the Summer for those that were unable to attend. The event will look at access to Smartphones, how and when you might want to give them to your children, and options for alternative technology. They will signpost resources to help with decisions around SIMS, handsets, routers and trackers and look at how to navigate locking down smart devices and apps. There will also be some additional resources and testimonials, as requested in the feedback from the first event. This is intended as a helpful forum offering guidance around alternatives and user safety. It is also an opportunity to meet other parents/carers trying to work out how to parent the SnapChat generation! The event is open to non-members and the bar will be open. **We would actively encourage as many of you to attend this as possible.**

Waste Management Survey - The Waste Management team at Hampshire County Council, in partnership with the Hampshire Food Alliance, are looking for people to complete their survey on food and cooking habits. This survey is targeted at understanding food usage and cooking habits in Hampshire homes. The results will be used to inform their work around access to food and sustainability. It should take about 10 minutes to complete and will close on Sunday 19 October at 11:59pm.

Please follow this link to complete the survey:
