Data Collection Forms – Each year we are required to check that we have up to date contact and medical details for every pupil. Please look out for a **mauve Data Collection Form** and **Medical Form** that your child will be bringing home in their book bag over the next few weeks. Year 5 & 6 have already been sent out and are working our way down through the school. When you receive these forms please can you **check ALL the details thoroughly (especially email addresses and contact numbers)**, make amendments where necessary, sign and date it and return it to the school office. If there is only one contact on your sheet please can you provide a second, **we are legally required to have a minimum of two contacts for each child**. Please be aware that this must be done for every child and we will keep chasing until all forms have been returned.
