

Y6 SATs Parents Information Evening - We would like to extend an invitation to parents of Year 6 children to attend an information evening about Y6 SATs on **Monday 12 January 2026** at **6pm**. The aim of the evening is to provide parents with an understanding of the experiences the children will face in May as well as answer any questions you may have. Smart Watches – Please can we remind you that Smart Watches present a safeguarding issue due to their functionality. Can we please ask that these do not come into school with your child. If we do come across them we will collect them in and return them at the end of the school day.

Census Day Thursday 16 January - As you are probably aware, pupils in the infant part of the school are entitled to Universal Infant Free School Meals (UIFSM). The funding for this is decided each year on figures reported in the Autumn and Spring census. Calculations are based on an average of the meals taken on these two census days by KS1 pupils, not on the actual number of meals taken over the year. The Spring census day is next **Thursday 15 January 2026** and we ask that as many KS1 children as possible please take up their free meal on this Day.

School Lunch Lucky Plate Lottery – On Census Day the kitchen will randomly identify 7 lucky plates. The 6 recipients will win a prize and one a bigger prize of a cook book supplied by Aspens.

Road Safety – Please can we ask parents to respect local resident's property when turning vehicles in surrounding roads. Please make sure there is sufficient space to do this safely and that you are able to see pedestrians using the path. A local resident has complained this week that a parent turning their car almost drove into a bush in their front garden.
