

SCARF – Next week we are being visited by a team of professionals who will be providing workshops across the whole school. SCARF is a PSHE scheme of work, designed to help pupils develop essential life skills and knowledge. SCARF covers key topics such as emotional well-being, healthy lifestyles, relationships, and safety, providing age-appropriate activities and lessons. By engaging in discussions, role-playing, and interactive activities, pupils learn to navigate social situations, make informed choices, and understand the importance of physical and mental health.

Online Safety Parent/Carer information session On Wednesday 28th January 2026 – 9.30am/10.15am there will be an on-line session focussing on online gaming - this will include latest trends and emerging threats and will focus on developing parents understanding of online gaming, the associated risks and steps we can take to support our children.

Attendees do not need to register, they simply click on the link below at the correct time to access the session. Cameras and voice/audio will be switched off for all attendees. Attendees can ask questions by typing in the Q&A box, but this will be explained during the session.

The event will be streamed using Teams. Attendees can watch the live event in:

- Teams app—desktop (Windows or Mac) or mobile. (The Teams app is free to download if attendees would like to do that beforehand).
- If they don't have Teams they can access it via one of the following browsers - Google Chrome, Microsoft Edge or Firefox.
