SEND Referrals - We are currently facing a large number of families seeking diagnoses for their children. While we are always keen to work with families and support them through these processes, we felt it would be useful to let you know **the pathway you should follow in order for us to have the capacity to do the school submissions in a timely manner.**

Initially you should contact the school SENDCo, Mrs Zoe Hine, by email and ask for a meeting to discuss your child's needs and what provision they are being supported with in school. If following this, you still feel you would like to seek an external assessment, Mrs Hine will be able to advise you about the best way to do this; the level of referral requests currently in the school system; and the time scales in which we can realistically respond to agencies asking for the school's perceptions and further information.

Sun Cream – Now that we are having some sunnier weather, could we please ask that you apply sun cream/lotion to your child in the morning - before they come to school. Please also send in their own (named) sun screen which can be self-administered if they need a top up at lunchtime (**NO AEROSOLS** please because a member of our school
