

School Notices & Reminders - Friday 08 May 2026

Next week our Y6 children will be undertaking their SATs tests. They have all been working extremely hard in the run up to these and we wish them all the best of luck.

CANCELLED School AM Sports Clubs NEXT Week – Because Y6 will be sitting their SATs next week all the morning school led sports clubs have been CANCELLED.

Tech-Wise/Tech-Zone Event – Reminder that there is a Tech-Wise event for parents being run at Waypoint Church, Hunts Pond Road on **Saturday 09 May** between 4pm and 6pm. The event will share advice to help families navigate the digital world with contributions from students, GPs, teachers and local tech experts.

Walk to School Week - Walk to school week is nearly upon us, Monday 18th to Friday 22nd May. As a school we will be taking part in this and would like to encourage you all to take the time to walk to school whenever possible. Please read the attached leaflet to find out about this event and the benefits of walking to school.

Circus - A huge thank you from the PTFA to everyone who came along and enjoyed the circus last night. We absolutely love putting on these events for the children, and your support makes it all possible. Together we raised £2,588 for the school which is fantastic. A special thank you to the school staff who stayed on to help us and of course our dedicated PTFA team. The circus will be back in 2028 we hope!

School Lost Property - Our Lost Property store is brimming with items, currently we have over 40 jumpers and cardigans waiting to be reclaimed! With hopefully warmer weather ahead, please check that your children's clothes are clearly labelled. Our Y6 prefects can only return the labelled items to their rightful owners.

Tennis Club Lost Property - If you are familiar with any of the items in the attached photo or you would like to come and check, the club will be holding onto the items for the next week before it goes to charity.

Water Bottles – Please can we remind parents that all children are required to bring a water bottle into school **EVERY DAY**.

Sun Cream – Now that we are having some sunnier weather, could we please ask that you apply sun cream/lotion to your child in the morning - before they come to school. Please also send in their own (named) sun screen which can be self-administered if they need a top up at lunchtime.

Cluster Schools: Smartphone Free – A reminder that we will be moving to a smartphone free school from September 2026. This was first announced in November 2025 and will see all schools in the local cluster adopting this approach for the benefit of the children.

Regards
