

We follow the SCARF scheme of work for PSHE where lessons build upon children's prior learning through themes which are taught yearly from year R to year 6. We have assessed the content and feel that it is relevant and sensitive to the needs of the children. There is planned progression across the SCARF scheme of work, so that children are increasingly and appropriately challenged as they move up through the school. All staff have access to all of the progression maps. However, due to copyright, the documents cannot be displayed on our school website. If you wish to see our progression documents, please contact the school office and we would be happy to share them with you.
