

We follow the Hampshire (HIAS) progression documents. The documents contain a progressive list of the substantive knowledge within the Hampshire Science Learning Journeys with reference to the related National Curriculum statutory requirements. The following progression maps are as follows:

- Biology – Animals (including humans) *Years 1-6*
- Biology – Plants *Years 1-6*
- Biology – Variation and evolution *Years 1-6*
- Chemistry – Materials *Years 1-6*
- Physics – Earth and Space *Years 1-6*
- Physics – Electricity *Years 1-6*
- Physics- Forces *Years 1-6*
- Physics – Energy Pathways *Years 1-6*

All staff have access to the progression maps. Due to copyright, the documents cannot be displayed on our school website. If you wish to see our progression documents please contact the school office and we would be happy to assist.
