Science

Plants

Children will:

- Identify and describe the functions of different parts of flowering plants: roots, stem/trunk, leaves and flowers.
- Work scientifically - Using straightforward scientific evidence to answer questions or to support their findings.

PSHE

Being My Best

LINK

Dear Parents,

Over the next half term, your children will be engaging in a broad and balanced curriculum including everything outlined above. If you have any comments or questions about the work your child is completing, please do not hesitate to get in touch.

Yours Faithfully,

Mrs Bendell, Mrs Herring and Mr Ponsford.
