Stories of Vishnu

PSHE

Keeping Safe

Children can explain that they have emotional needs as well as physical needs and can give examples of these. Children can explain that it is important to look after both.

Children can give examples of how mobile phones can be positive and negative. Children can give examples of how to keep their belongings safe and how to stay safe online when it comes to sharing information.

Children can discuss the norms of the use of alcohol.

Home Learning

Daily reading, weekly reading comprehension and complete Reading Journal

Mathletics/TTRS

Maths Booklet

Spellings

The Alchemist's Letter

French

In this unit pupils will learn 10 phrases for activities they may do at the weekend in the foreign language. They will also be presented with further extension on telling the time and opinions/justifications. Pupils will have the knowledge and skills to talk about what they do at the weekend, enabling them to create more detailed and personalised responses by the end of the unit.

Geography

Compare the geographical similarities and differences between a region in South America and our local area.

English

- Understand what is read by drawing inferences such as inferring characters' feelings, thoughts and motives from their actions, and justifying inferences with evidence.
- Draft and write by selecting appropriate grammar and vocabulary, understanding how such choices can change and enhance meaning.
- Draft and write in narratives, describing settings, characters and atmosphere and integrating dialogue to convey character and advance the action.
- Evaluate and edit by assessing the effectiveness of their own and others' writing.
- Evaluate and edit by proposing changes to vocabulary, grammar and punctuation to enhance effects and clarify meaning.
- Evaluate and edit by ensuring the consistent and correct use of tense throughout a piece of writing.
- Articulate and justify answers, arguments and opinions.

Computing

Video Creation—Greenscreen Special Effects

Ongoing - Digital Literacy/E-Safety 'I can...' statements to be embedded into every computing topic.

Science

Light: Name and identify simple parts of the human eye and discuss their functions.

Identify that light travels in straight lines but that it can change direction if it is reflected from an object.

Explore and investigate how shadows are formed

Explore how light can change direction when it travels from one medium to another.
