

Literacy

Reading and Phonics— we are working on Phase 3, and 5 and quick recognition of our high frequency words.

We will be starting group (guided) reading.

We will be starting to send weekly spellings on Seesaw to learn and the children will have a weekly spelling challenge on a Monday.

We will continue to work on handwriting and writing independent 5 star sentences. We will be writing stories.

Maths:

In maths we will be continuing to count in 1,2,5, and 10's from any number both forwards and backwards up to 100.

We will also be learning all about:

- Number and Place value
- Multiplication
- Doubling and halving
- Addition and Subtraction
- Fractions
- Money and time.
- 2D and 3D shapes

We will be working both practically and in written form.

We will be completing investigations as well and learning how to work in a more systematic way. We will do reasoning tasks where children will write down their understanding of maths problems.

WE will be starting Mathletics homework.

Let's Celebrate and What's it made of?**In Computing we will be...**

Learning about programming and writing instructions.

In Art we will be learning about primary colours and colour mixing.

We will find out about the work of different artists who use primary colours.

In Geography we will be learning about our school and what is special about it.

In PSHE we will be learning about valuing differences between each other, thinking about what is the same and what is different.

We will also be learning about resilience.

In Music we will be learning about pitch. We will also be learning songs for the Christmas nativity.

In R.E. we are learning about Incarnation. Why does Christmas matter to Christians?

We will also be learning about the Hindu celebration Diwali.

In PE we will be learning football.
