

YEAR 1

C U R R I C U L U M

English

Reading and Phonics– We will be assessing which sounds the children know and will set for phonics based on this assessment.

We will follow the Monster Phonics programme.

In writing we will be learning how to write a 5 star sentence which includes; a capital letter, a full stop, finger spaces, writing on the line and using our sounds .

We will also start to learn some technical vocabulary

Maths:

We will be focussing on different areas of maths over the half term, these will include:

- Properties of number
- Place value, ordering and estimating
- Understanding addition and subtraction
- Real life problems
- Money work
- Time

We will have a strong focus on number bonds and number fluency. If you would like to support your child's learning, you can help by practising number bonds to 10.

In Science we'll be identifying the basic parts of the human body.

In Computing, we'll be using chatterpix to bring a picture of a character or an object alive.

In RE we will be learning about the Christian creation story and thinking about beautiful things that God has created in

In History we will be learning about the moon landings.

In PSHE we are learning to name different feelings, explain how they might make them behave and identify ways to calm down. We will learn how to ask for help and who can help us. We will make classroom rules.

In Music we'll be learning about Tempo and Dynamics

In PE we will be doing Gymnastics and multi-skills.

In Art, we'll be learning about the artist Piet Mondrian and creating art work in his style. We will be using key Vocabulary.

Mrs Hine, Mrs Linley and
Miss Johnston
