

In **English** we will be continuing work on sentence structure and the features of a 5 star sentence. We will be writing for a range of different purposes and genres. We will be writing a non-fiction page about a dinosaur. We will also be doing story writing. We will continue to learn spellings and read for a variety of purposes.

In **Music** we will be listening and responding to different pieces of music and specifically learning about tempo and duration.

In **Maths** we will be:

Counting and Properties of Numbers

Place value and ordering

Understanding + and –

Understanding Multiplication and division.

Mental Calculation Strategies (+ & -)

Money and 'real life' problems

Reasoning and maths investigations.

Measures and capacity, inc problems

Shape and Space

In **science** we will be:

Learning about caring for the planet.

Dinosaurs

In **PE** we will be doing athletics.

We will be learning a dance for the Production 'Peter Pan'

RE

Our 'Big Idea' is Belonging. We will focus on children's own families showing where they belong. We will look at groups children belong to. This will help us to contextualise how Abraham and Joseph felt in special Jewish stories.

In **PSHE** we will be thinking of ways we can be the best

In **Computing** we will be learning coding.

In **Art** we will be using clay to make dinosaur sculptures. in

Dear parents,
Over the next half term your child will be engaging in a broad and balanced curriculum, including everything outlined above. If you have any comments or questions about the work your child is completing please do not hesitate to get in touch.
Yours faithfully,
Mrs Hine, Miss Johnston and Mrs Linley.

In **DT** we will be making our own freestanding structures. We will be planning our designs and evaluating our final product.

In **History** we will be learning about Mary Anning and her life work. Children will learn about how fossils are formed.
